MEMORANDUM FOR: The Director of Central Intelligence

SUBJECT: Transmittal of SALT 1972 Intelligence Baseline Report

1. The attached report was prepared at the direction of the USIB Steering Group on Monitoring Strategic Arms Limitations. It is an initial status report, reviewing intelligence holdings on Soviet forces and programs affected by the ABM Treaty and the Interim Offensive Agreement as of 1 July 1972. Information acquired since that date makes no substantial change in the findings of the report.

2. I invite your attention to the finding, on pages 8 and 11 of the report, [REDACTED]
